

## ALLIE RIERA TRIES TARPON FISHING AT CAMP WALTON

SPECIAL TO THE JOURNAL.  
Camp Walton, Sept. 1.—Tarpon fishing is becoming a new sport here now, which will add much more to the already great fishing resort. Allie Riera, one of the greatest fishermen along the coast has spent three days trying to land a tarpon, so far he has been unable to secure the right kind of fishing tackle, as the fish succeed in breaking or cutting the line and getting away after it has been caught. He says he will land one ere he stops, and we believe him, as he never loses patience with his fishing.

Dr. Wilmer S. Hall will be in his office Monday morning.

## Just Once! Try Dodson's Liver Tone! Take No Calomel! Listen To Me!

If bilious, constipated, headachy or sick, I guarantee relief without taking dangerous calomel which sickens and salivates.

Stop using calomel! It makes you sick. Don't lose a day's work. If you feel lazy, sluggish, bilious or constipated, listen to me! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with sour bile, crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour, just try a spoonful of harmless Dodson's Liver Tone.

Here's my guarantee—Go to any drug store and get a 50-cent bottle of Dodson's Liver Tone. Take a spoonful tonight, and if it doesn't straighten you right up and make you feel fine and vigorous by morning, I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the sale of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.—Adv.

## SALE OF WHISKEY BEEN POSTPONED

In compliance with instructions from the district attorney, the sale of whiskey Monday at high noon has been postponed until a date to be announced later. The 21 cases of spaghetti which was to have been sold at the same time for being striped in interstate commerce improperly labelled will not be sold until the liquor is disposed of.

One hundred and seventy-four cases of whiskey make up one lot, which was seized by the marshal when it was found to be consigned to a firm in Montgomery labelled and billed as shingles. A 55 gallon tank containing whiskey and eight gallons in flasks make up the second lot of liquor which was sold at public
